

PRESSEINFORMATION

**Meet Zech Umwelt at the EXPO REAL 2009 exposition in Munich,
Germany**

*Zech Umwelt GmbH at EXPO REAL 2009 exposition/ booth 214, hall B2 with
sister company Deutsche Immobilien Holding AG /*

When the international real estate branch meets up at the commercial property exposition EXPO REAL from 05th till 07th October 2009 in Munich, Germany, then of course the Zech Umwelt, subsidiary of the international player Zech Group, will also be at the exhibition.

Take advantage of our competencies in remediation and development of polluted areas. We offer specific total solutions for decontaminated properties while preserving resources, of course.

We are your direct contact at the exhibition and would be pleased to meet you at the stand of our real estate sister company, Deutsche Immobilien Holding AG: booth 214, hall B2!

If you are interested, please contact us and arrange a personal meeting with us at the EXPO REAL:
